sweet and low

Paola Lenti has a new furniture collection called Jardin that pays homage to Clara Porset, a Mexico-based furniture designer of the 20th century who knew a thing or two about gorgeous outdoor settings. Exclusive to Dedecé, the range includes a lounge chair and low lounge chair, as well as a sun lounger, all handwoven with eco-friendly polyolefin cord. In colours ranging from pastels to brights, the lavender shown is especially easy on the eye. Jardin lounge, from \$10,930; Jardin side tables, from \$5240. dedece.com
