#### 06 Eolias outdoor collection

The Eolias furniture range, designed by Antonio Citterio for Kettal, features rounded edges and incorporates recyclable materials such as aluminium and wicker. Inspired by Italy's Aeolian Islands, Eolias offers a range of stackable seating and table options. [mobilia.com.au](http://mobilia.com.au)

#### 09 Escea outdoor fireplace

Escea's EW5000 is an outdoor wood-burning fireplace that you can cook on, as well as bask in front of – providing seamless indoor-outdoor flow. The EW5000 outdoor fire can be installed either with a stainless steel frame or without, for a more rustic look. [escea.com](http://escea.com)

#### 07 Frame armchair

Paola Lenti's elegantly shaped Frame outdoor armchair pairs a highly durable rope braid textile with a lightweight aluminium frame. Frame is available in multiple configurations and in a selection of the brand's signature upholstery fabrics. [dedece.com](http://dedece.com)

#### 10 Seam barstool

The Seam outdoor barstool, designed by Adam Cornish, has a shell that is formed from a single piece of aluminium, creating a "seam" along its spine. The collection includes chairs, barstools and various tables, all with UV-stable powder-coat finishes. [madebytait.com.au](http://madebytait.com.au)

#### 08 Austral Bricks

Crafted using state-of-the-art making techniques, Austral Bricks' new Pottery Blend range features a colour palette inspired by the tonal profiles of Roman clay sculptures. Earthy and distinctive, the collection will help to define enduring architectural spaces. [brickworks.com.au](http://brickworks.com.au)
