## BEST IN GLASS

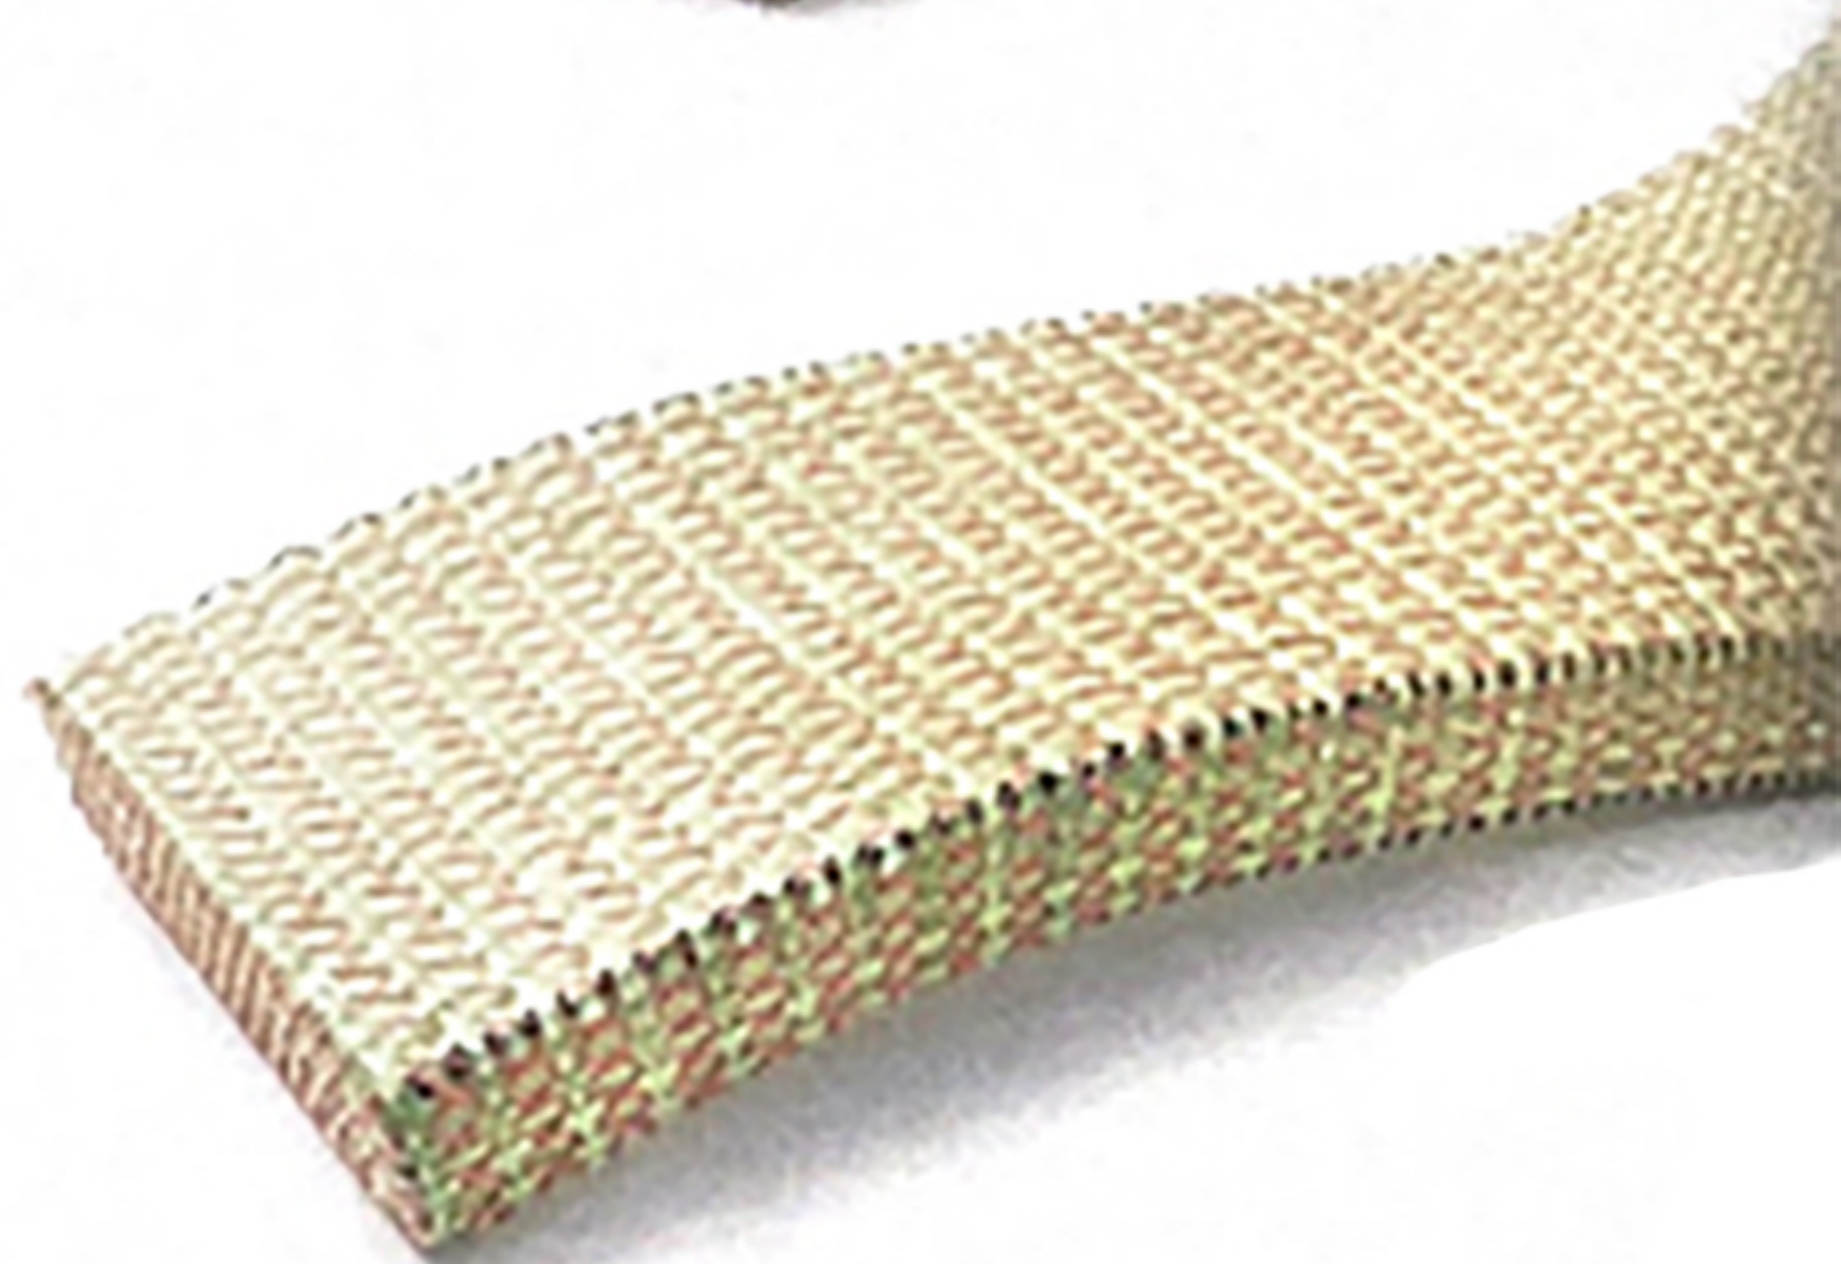

Inspired by the statuesque forms of Ancient Greek architecture and the tradition of Italian glassmaking, Saardé's 'Kalros' range features four new objects, including the unique Water Glass (\$89 for two, below), available in five subtle colourways. [SAARDE.COM](http://SAARDE.COM)

## ACE OF SHADE

Seeing them dotted across the sands of a crowded beach or on a garden party lawn, nothing says summer quite like striped umbrellas.

The Atlantis sunshade from Fritz Hansen's 'Skagerak' outdoor collection – exclusive to Cult – has to be the warm-weather accessory of the season. [CULTDESIGN.COM.AU](http://CULTDESIGN.COM.AU)

## TAKING SHAPE

To celebrate 25 years of creative collaboration between Paola Lenti and Francesco Rota, the brand is honouring the milestone with a re-edition of two iconic pieces – the Wave outdoor chaise lounge (pictured) and its indoor twin, Linea. Available exclusively at Dedece. [DEDECE.COM](http://DEDECE.COM)

## FREE REIN

In a first for Hermès, the Bridon knitted Apple Watch band evokes a subtle reference to the house's signature equestrian roots, offering a contemporary twist on reassuringly timeless design.
