

The playroom (left) is outfitted with Bubble armchairs by Roche Bobois and a custom fire pole that descends from the floor above. Trellises made of painted aluminum and Alaskan cedar shade a deck off the master bedroom (below). The Shito chaise longue is from Paola Lenti and the sculpture is by Ryosuke Yazaki. In the kitchen (right), Fougeron and her team designed a nook backed with sliding panels and lined in green felt from FilzFelt. The kitchen system is by Bulthaup.
