

OUTDOOR ALLURE

BY TRACY BULLA

Each season, designers up the ante in terms of exterior offerings with maximum sophistication and ingenuity. Look for gorgeously executed texture, sculptural silhouettes and artisanal appeal.

OTTOMAN EMPIRE

Paola Lenti's masterful use of color reaches new heights in the Spezie outdoor pouf. Crafted from Lenti's signature Kimia fabric, the removable cover boasts deluxe texture in the form of hand-embroidered flat rope braids for couture-style customizable embellishment. ddcnyc.com

SECRET GARDEN

From Paola Lenti, the Greenery double-sided modular wall encourages the creation of a stunning, individualistic garden for both indoors and out. Boasting an integrated watering system, the steel-framed structure permits flora and foliage to be arranged effortlessly and features removable containers stacked within the frame. ddcnyc.com

ENCHANTED FOREST

Consummately crafted in lacquered steel, the Arbre chair from Joy de Rohan Chabot proffers a leafy, sculptural seat. Each distinctive colorway is inspired by a corresponding season.
