Putting Your Feet Up

Pouffes are great space-saving furniture items for when you need an extra seat - and some can also double-up as storage items. Whether you want to make a statement with your pouffe or simply blend it in with your chairs or sofas, there are plenty of designs to choose from.

Above Left The Laika pouffe by Treku can be used as a side table, seat, coffee table or clothes valet. It comes in a number of different sizes and colours (www.treku.com).

Above Right The Tide pouffe by Paola Lenti has a hand-woven Rope upholstery cover which is made of water-repellent, stress-resistant expanded polyurethane. Tide pouffes come in various contemporary colours. Paola Lenti is available at selected outlets on the Costa del Sol (www.paolalenti.it).

Below The lemon-coloured pouffe by Gancedo features a fresh and summery colour that would go perfectly with white or pastel-coloured soft furnishings. Gancedo is situated in Marbella (www.gancedo.com).
