

ROBIN'S NEST

When **ROBIN TUNNEY** isn't sparring with Simon Baker in *The Mentalist*, she's busy spiffing up her hillside home in L.A. A mind reader couldn't have envisioned more beautiful results

A mix of modern and vintage pieces on the patio creates the feel of an inviting outdoor room. The couch, chair and ottoman are by contemporary Italian design star Paola Lenti (and sold at Niche in L.A.). The retro table comes from Ten 10 in Silver Lake.
