Chris Baisa
of **Delinear Rugs**

product Haze
standout The brand's founder and president created subtle ombré rugs, in Himalayan wool with silk patterning, that pair dark shadows with luminous highlights. delinear.com

Philippe David
for **Jamie Stern**

product Racine
standout Lines the designer initially rendered in crayon have been transformed into vivid rugs hand-knotted of bamboo-silk and New Zealand wool. jamiesterndesign.com

Ferruccio Laviani
for **Londonart**

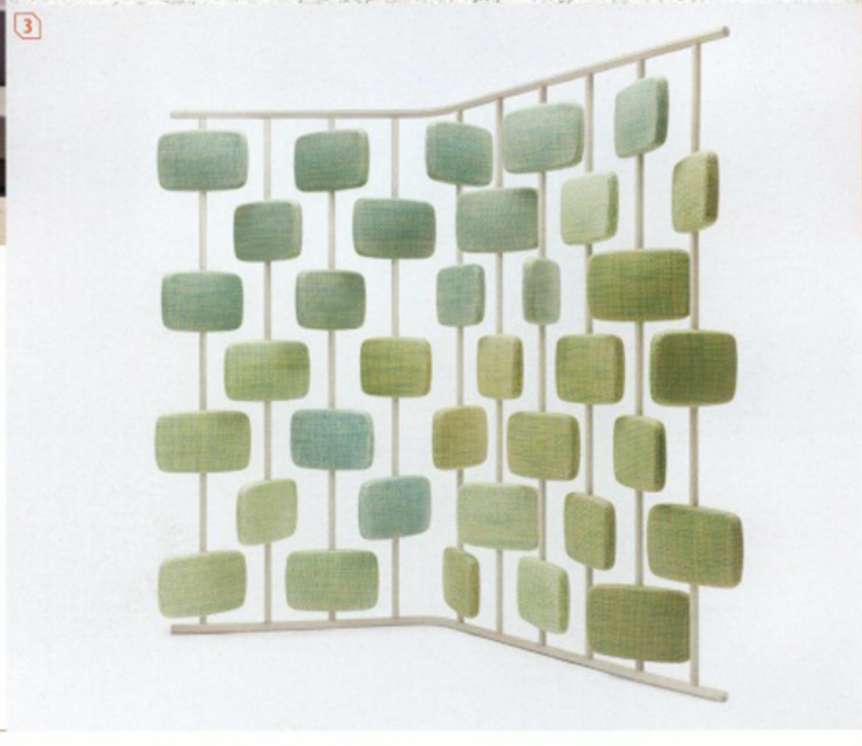

product Mallet
standout Hand-tufted of viscose and wool, the playfully stripy rug perfectly epitomizes the Italian designer's thoughtful and unique creative spirit. londonart.it

Paola Lenti
of **Paola Lenti**

product Rilievo
standout The patchwork of wool felt rectangles, appliquéd with colorful wool cords, is available in a veritable rainbow of 104 hues. Through DDC NYC. ddcnyc.com

Andreu Carulla

product Alat
standout Armrests sloped 45 degrees make ultra-comfortable backrests for reclining, thereby doubling perch options on the winged sofa. Through Boston Design Furniture. bostondesignfurniture.com

product Suave
standout The Dutch designer's ode to "warm sophistication," the collection includes a tapered modular sofa in cream-hued polypropylene plus ornamental planters that recall giant chess pieces. vondom.com

product Giravolta
standout High-tech yarn wraps around rotating panels of recyclable plastic in this kinetically charged space divider that lets *chi* flow. Through DDC NYC. ddcnyc.com

product River
standout Imitative of rippling water, the chair's solid polyurethane form—with built-in drainage hole—comes in eight standard colors and jazzy metallic silver. Through Sandler Seating. sandlerseating.com
