

## TABLE TOPS

LEVER BY PAOLA LENTI STANDS OUT LIKE A PIECE OF ART.

Series of side tables with base and top made of Ornué finished steel; this particular hand brushed finishing is made by De Castelli on an exclusivity basis. When used in exterior environments, this finishing allows for a natural oxidation of the base material and a consequent moderate change in the colour tone. We recommend the use of the Paola Lenti's winter set as to protect the side tables when outdoor and not in use.
