Paola Lenti Reception

Scott + Cooner
March 8

Scott + Cooner welcomed the Dallas Design District's finest at Paola Lenti's Spring/Summer 2018 collection showcase. The display included beautifully hand woven indoor and outdoor furnishings, boasting serene shades of blue and green. Delighted attendees admired the plethora of plump throws, Nido outdoor chairs, Sciara ceramic side tables, and the Farniente rope hammock, a creation that was featured in the Cooper Hewitt Smithsonian Design Museum.

Anna Lenti, Paola's sister, was in attendance, greeting guests and discussing the inspiration behind the charming collection. The signature cocktail of the evening was a Mint Julep, made with Firestone & Robertson's Texas Whiskey. DJ Souljah provided the beats while guests mingled amongst the stunning display.
